SSI units in the country

1018. SHRIMATI SARLA MAHESHWARI: Will the Minister of SMALL SCALE INDUSTRIES be pleased to state:

(a) the number of SSI units in the country;

(b) the number of SSI units that are either sick or closed till 2003 and the total number of employees who lost their job; and

(c) the contribution of SSI in Gross Domestic Products (GDP) during the last three years?

THE MINISTER OF SMALL SCALE INDUSTRIES (SHRI MAHABIR PRASAD): (a) The total number of SSI units both registered and un-registered in the country as on 31.3.2004 is estimated to be 113.95 lakhs.

(b) During the survey of the registered SSI units, conducted at the time of the 3rd All India Census of SSI units, it was found that 39% of these units (numbering 8,87,427) were closed. As per the information available with the Reserve Bank of India, there were 1,67,980 sick SSI units as at the end of March, 2003. Information on number of employees who lost their job as a result of closure/sickness is not maintained Centrally.

(c) The contribution of SSI units in the Gross Domestic Products (GDP) during the year 2000-01, 2001-02 and 2002-03 (latest available) was 6.86%, 6.68% and 6.81% respectively.
